Caught Up

I wanted this woman, and I was a man who always got what he wanted.

Nico 'Junior' Trocci knows Lauren Marchetti is off limits. She is sweetness and laughter, whereas Junior exists in a world of violence and depravity. Men like him don't get to have women like her. It's why he pushed her away back in high school and has kept his distance ever since.

But when Junior looks Lauren up online, he discovers the shy, bookish girl he remembers is gone. In her place is a strikingly beautiful woman whose social media is filled with scantily clad pictures of herself and a connection to a nearby play club. Junior's innocent curiosity quickly turns into a dark obsession. But watching Lauren from a distance isn't enough; he needs to make her his.

Lights Out

I want someone with a soul as black as night. Someone who would burn the world down for me and not lose a single minute of sleep over it.

Trauma nurse Aly escapes her hard-working days by thirsting after masked men online. To her, nothing could top the fantasy of her favorite tattooed and masked man hunting her down. But she never could have guessed that one drunken text would turn those dreams into reality . . .

I want things most people don't, craving darkness and depravity instead of light and love.

Josh has spent his life avoiding the limelight, but his online persona is another story. At night, he posts masked thirst traps for his millions of fans, until one follower catches his eye: Aly.
